

## 2022 Scholarship STUDENT INSTRUCTIONS

---

### **Background**

The Metro Atlanta Relocation Council (MARC) is a non-profit organization that provides corporate and service industry relocation professionals the opportunity to meet and work together on a regular basis to educate, to learn and to share knowledge and experiences about current relocation practices and emerging relocation issues in an effort to better serve and address the diverse needs of relocating employees and their families. As part of our commitment to Relocation, MARC has developed a scholarship program for current high school seniors who have relocated into the Atlanta area sometime between grades 9 (after 8<sup>th</sup> grade graduation) and 12.

*A one-time award of \$1,000 will be presented to an Atlanta area high school senior this year (Residence eligibility is defined as a senior attending a private or public school in any city or county district within the 17-County Greater Atlanta area).*

The award will be sent directly to the college that the student will be attending to assist with tuition, etc. The winning application will also automatically be nominated for consideration of a secondary scholarship opportunity awarded by the Worldwide ERC Foundation.

The MARC organization will select the scholarship winner based on the strength of their total application. The student will be evaluated based on the following:

- 1.) Academic performance (as validated by transcripts from the counselor's office),
- 2.) Extra-curricular activities (to be provided us along with the application and essay), and
- 3.) The student's essay addressing the challenges associated with relocating to a new area and a new high school (please see greater details regarding the essay requirements below).
